Which Tool for Which Job?

A one-page decision sheet. Find your task in the left column, then use the tool on the right.

If you need to...	Use this	Where it lives
Turn one piece of content into many	Workflow 01 — Content repurposing	prompts/01-content-repurposing.md
Clear the inbox	Workflow 02 — Email triage	prompts/02-email-triage.md
Turn notes into tasks	Workflow 03 — Meeting notes to tasks	prompts/03-meeting-notes-to-tasks.md
